

Ankit Keshwani

PGDM in Finance with Analytics Minor - Equipping for Capital Markets

CAREER OBJECTIVE

Seeking a position in the financial industry where I can utilise my analytical and problem-solving skills in alignment with my knowledge of financial analysis, trading, and risk management, to make informed investment decisions that will contribute to the company's success.

PROFESSIONAL EXPERIENCE

Organization: A.G. Gupta & Associates, Jabalpur

Designation & Duration: Finance Associate (12 months)

Summary: Worked on statutory audits and tax audits, as well as developing and managing Opex /Capex budgets and automating financial statements for 10+ organizations using advanced Excel tools, reducing manual processing time by 80% and enabling real-time data analysis for informed decision-making.

INDUSTRY PROJECT(S)

Organization: EdLightened

Designation & Duration: Financial Modelling & Valuation Analyst (1 Month)

Summary: Developed a comprehensive Financial Model to assess the valuation of Dabur Ltd stock, utilizing the DCF Model, proforma analysis, and key assumptions. This strategic evaluation determined the precise positioning of the stock in terms of undervaluation or overvaluation. Notably, the analysis illuminated the company's performance trajectory, leveraging critical assumptions to provide actionable insights.

Organization: SKP & Co. LLP, Pune

Designation & Duration: Article Intern (36 months)

Summary: Led and executed meticulous statutory and tax audits for a diverse portfolio of major public and private sector clients, overseeing audits for entities such as Venky's India Limited. Skillfully contributed to the successful implementation of financial controls, Furthermore, strategically restructured financial processes, resulting in streamlined workflows and a 20% increase in overall efficiency.

ACADEMIC PROJECT(S)

Organization: Tangerinex.io

Topic: Request for Problem (RFP) Project on Venture Capital Investments in Indian Agritech Space.

Objective: To assess the key obstacles faced in securing funding within the Indian agri-tech sector *(Project in Progress)*

Topic: Research Incubation (RI) Project in Brokerage Industry.

Objective: To conduct a comprehensive analysis of Zerodha's leadership in the Indian brokerage industry, examining its unique differentiators compared to other service providers within the sector. *(Project in Progress)*

Organization: Student Management Investment Fund (SMIF) – Lead Research Analyst

Topic: Portfolio Management

Objective: Currently serving as Research Analyst; where I conducted comprehensive research on various stocks and contributed towards the student-managed fund of Rs.2 million by providing in-depth research reports and recommendations on stock for the portfolio. *(Project in Progress)*
