PGDM in Finance with Analytics Minor - Equipping for Banking

CAREER OBJECTIVE

Seeking a challenging role in an organization where I can utilize my analytical abilities for financial analysis, risk management, and optimization to drive financial performance and contribute to the growth of the organization.

ACADEMIC PROJECTS

Organization: Ujjivan Small Finance Bank

Topic: Request for Problem (RFP) Project on Enhancing MSME Business

Objective: Study the existing sales process and recommend benchmarks and initiatives to improve the productivity of sales staff and overall asset business throughput. (*Project in process*)

Topic: Valuation of Auto Ancillary Company

Outcome: I did a valuation of an auto ancillary company by using DCF and Relative valuation method and estimating IRR to help make an investment decision. The project improved individuals' financial analysis, evaluation, and investment decision-making abilities.
