

Sheetal Singh Parmar

PGDM in Finance with Analytics Minor - Equipping for Capital Markets

CAREER OBJECTIVE

To leverage my financial knowledge to excel as an equity research analyst, contributing insightful and actionable research to facilitate informed investment decisions with in-depth analysis of company, industry, and market trends.

ACADEMIC PROJECT(S)

Topic: Request for Problem (RFP) - Commodities Market Analysis

Objective: The analysis aims to understand the current state and trends of the global commodities market, focusing on oil, precious metals, agricultural products, and industrial metals. It will explore market dynamics, supply and demand, price fluctuations, key players, and emerging opportunities.

Organization: HDFC Bank

Topic: Research Incubation (RI) - Banking Industry Analysis

Objective: The 'Banking Industry Analysis' assesses the current state of the sector, focusing on size, growth patterns, and global presence. It explores key drivers: consumer habits, macroeconomics, and financial technology advancements.

Organization: Rescue Tails

Topic: Design Thinking

Outcome: Rescue Tails employs Design Thinking to improve animal rescue and adoption. It prioritizes empathy, user-centric solutions, iterative prototyping, collaboration, design for delight, and innovative technology integration.

Topic: White Paper - Issues Faced by Migrants in India

Objective: We've developed an app to address job insecurity, subpar living conditions, limited-service access, and social isolation faced by Indian migrants, promoting their integration.
