CAREER OBJECTIVE

Seeking a challenging role in an organization where I can leverage my extensive knowledge of financial markets and analysis to identify and capitalize on investment opportunities, generate comprehensive research reports and provide sound investment advice to increase the value of my client's portfolios.

ACADEMIC PROJECT(S)

Organization: Jagdish Sheth School of Management
Topic/ Subject: The research proposal aims to analyze the challenges faced by Fund managers in the finance and investment industry especially in AMCs.
Objective/Summary: The study will explore the decision-making process when recommending investment avenues to clients and address the concerns related to active and passive funds.

Organization: SNR Investment Advisers Pvt.Ltd
Topic/ Subject: Request for Proposal (RFP) Project for Factor Investing and Alpha Creation
Objective/Summary: The purpose of this research is to compare the performance of 14 active large and midcap mutual funds with passive funds represented by the NIFTY Large and Midcap 250 TRI index.

Organization: Student Managed Investment Fund
Topic/Subject: To maintain record of daily tracker data on day-to-day basis.
Objective/Summary: It helps us to track all the movement of the fund on daily basis and help us to make decisions whether to stay invested in that stock or not. Also, it helps us in generating monthly reports of our portfolio.

Organization: Design Thinking
Topic/ Subject: To provide immediate help to the injured stray animals.
Objective/Summary: We as a team of 6 has come up with an effective solution of creating an no coded app named "Rescue Tails" which will help rescue team to reach these animals on time and provide immediate help.
