

Gurram Chaitanya

PGDM in Finance with Analytics Minor

CAREER OBJECTIVE

As a management student with good knowledge in Finance, I am eager to apply my subject knowledge of portfolio management, wealth management, derivatives, financial analysis, modelling, and risk management to excel in a finance role. Awaiting to learn from experts and contribute to team success.

INDUSTRY PROJECT(S)

Organization: Slice

Designation & Duration: Operations Intern (7 months)

Summary: Interned at Slice in Growth and Operations, spearheading campus outreach, user research, onboarding, and risk mitigation while tracking application status through the intern portal.

ACADEMIC PROJECT(S)

Organisation: SNR Investments

Topic: Request for problem (RFP) to analyse the challenges faced by Fund managers in AMCs.

Objective: To find out fund managers' challenges with client advisory. The research evaluates factor investing and alpha generation's potential in justifying a switch from passive to active funds for investors.

Topic: Research Incubation(RI) Project on Active v/s Passive Funds.

Objective: To investigate the factors that contribute to the survival of active funds in the era of a growing corpus of passive funds.

Topic: Student Managed Investment Fund (SMIF)

Objective: Leading a 21-member team in the Student Managed Investment Fund, my focus as the lead is on effective alpha generation. With valued input from esteemed professors, we navigate financial intricacies to achieve outcomes that exemplify our dedication.
