

Kartavya Nair

PGDM in Finance with Analytics Minor - Equipping for FinTech

CAREER OBJECTIVE

Results-driven product manager with a passion for fintech. Seeking a challenging role to leverage my analytical skills, strategic mindset, and collaborative approach to drive innovative product solutions in the financial industry. Committed to delivering exceptional user experiences, optimizing revenue growth, and shaping the future of fintech products and services through agile methodologies and cross-functional leadership.

INDUSTRY PROJECT(S)

Organisation: Reena Organic's Private Limited

Designation & Duration: Finance Intern (3 Months)

Summary: I worked as a Finance Intern for 3 Months; during this duration, I helped the firm with auditing, due diligence, and formatting their database.

ACADEMIC PROJECT(S)

Organization: SUD Life Insurance

Topic: Research for Problem (RFP) Project on the creation of a successful online application for SUD Life Insurance.

Objective: To offer feasible solution to develop efficient online life insurance platform. *(Project in Progress)*

Topic: Research Incubation (RI) Project in Insurance and Insurtech Industry

Objective: Conducted industry analysis to understand insurance industry's past failures in developing successful online applications. *(Project in Progress)*

Topic: "What are the different factors that caused the quick recovery of the financial markets in India"

Objective: I wrote a research paper on the above-mentioned topic, wherein I studied the behavior of the stock market participants and explored herding.
