

Shivansh Dixit

PGDM in Finance with Analytics Minor - Equipping for FinTech

CAREER OBJECTIVE

Motivated finance professional with a recent degree in finance and a solid understanding of financial principles. Possesses excellent communication, analytical skills and a strong desire to build a successful career in finance industry.

ACADEMIC PROJECT(S)

Organization: HSBC Bank

Topic: Request for Problem (RFP)

Outcome: Focuses on creating a credit scoring model to forecast credit card defaults. By awarding ratings based on their default probability, the goal is to properly estimate the possibility of borrowers defaulting on their credit card balances. *(Project in Progress)*

Topic: Research Incubation Project (RI)

Outcome: Project involves thorough market research and proposal creation for tackling real-world issues. Developed practical abilities to solve issues unique to the sector and improve chances for the future. *(Project in Progress)*

Organization: R.K Mathur Associates

Subject: Proficiency of Business Tools

Objective: Analyzed the issue of managing the E-stamps and maintaining the cash and credit record of day-to-day sales.
